3-Way Scholarship Applicant
Allegheny East Conference Corporation of Seventh-day Adventists

Dear Applicant:

Information for this year's 3-Way Scholarship application and process is found on the Allegheny East Conference web site. You are asked to download all that you need, review it carefully and attend to the application promptly.

Please fill out the application completely and submit it to your church clerk. Incomplete applications will not be sent to, or processed by, the Allegheny East Conference Office of Education. It is understood that you may have concern about privacy of information. In light of this, my office has stressed with the local church clerk the great importance of establishing a procedure that makes confidentiality paramount. We are dependent upon your church clerk to handle this delicate part of the program.

Scholarship dollars are limited. We wish that resources were unlimited, but our participation in this program is dependent upon the number of scholarships provided by the participating institution. I encourage you to submit your application to the church clerk as soon as possible. The deadline is fast approaching (check with your local church clerk for their specific date). All applicants will be notified of application status during January 2020.

Sincerely,

John Alberty
Superintendent of Schools
